rescue time of 30 minutes.

Candidates for the program will be referred through local agencies. Several area groups will be partnering to provide the service including the Delaware County Board of Developmental Disabilities, the Delaware County EMS, the Delaware County Department of Jobs and Family Services, Ohio Health, the Central Ohio Area Agency on Aging and the Alzheimer's Association.

Families and caregivers can enroll their loved ones in the Project Lifesaver program by contacting Lt. Dave Buttler at 740-833-2805.
