Veterans Memorial Garden in Development at Center for Older Adults

The Raymond B. Austin American Legion Post #115 of Delaware, Ohio, has generously offered to fund the installation of a Veterans Memorial Garden at the Center for Older Adults. The Garden will be located in the oval island at the front of the facility and will include a monument to recognize all those who have served or are serving, along with engraved bricks, which will be sold to the public to memorialize their loved ones, living or deceased, who have served in the United States armed forces. A dedication ceremony is planned for Veterans Day, and reservations are available now for the purchase of engraved bricks. Bricks are available for \$80 each, and those purchased prior to September 25 will be installed in the Garden in time for the dedication. This program is a cooperative effort of Raymond B. Austin American Legion Post #115, Senior Citizens Inc. of Delaware County, and the Council for Older Adults. All proceeds from the program will fund construction projects at the Center for Older Adults. To reserve an engraved brick, please visit the Council’s web site at www.growingolder.org or Senior Citizens Inc.’s web site at www.delawareseniorcenter.org. For more information, contact Charlene Browning of Senior Citizens Inc. at (740) 203-2405 or via email to charlene@delawareseniorcenter.org.
